14. (Confidential - JGO) Met with Robert Boyer and Harry Cromer, House Foreign Affairs Committee staff, concerning the AID bill which may go to conference as early as this weekend. They advised that in their opinion the House will hold to their language concerning foreign police training. The House language which concerns only police training in Vietnam was strongly debated in the House Committee and on the floor. Language was provided for their use in the event it becomes necessary to accept a part or all of the Senate provision which would restrict police training worldwide. See Memo for Record.

15. (Confidential - JGO) Received a call from Mike Van Dusen, House Foreign Affairs Committee staff, concerning a briefing on the Israeli/Arab situation for Chairman Lee Hamilton, Subcommittee on Near East and South Asia, and his Subcommittee. I reminded Van Dusen that Chairman Morgan, of the full Committee, in meeting with Mr. Colby last week, had indicated in part that he wanted to talk to various Subcommittee chairmen before any further Subcommittee briefings. Van Dusen will check with Marion Czarnecki, of the Committee staff, and be back in touch with me.
